PRIMARY BENEFICIARIES WILL BENEFIT

Our foundation motto is “Caring for Our Communities” and our goal is straight forward. We seek to strengthen and support communities in southern New Jersey by providing financial support to selected non-profit agencies. Our focus is on the areas of health, youth development, educational support and low-income advocacy.

Proceeds from this year's event will be donated by Atlantic City Electric to community food banks throughout southern New Jersey, including this year's primary beneficiaries:

Community Food Bank of NJ – Southern Branch

The Community FoodBank of NJ, Southern Branch, is a division of the Community FoodBank servicing Atlantic, Cape May, Cumberland and parts of Burlington Counties from its 27,000 square foot warehouse in Egg Harbor Township.

With the help of thousands of volunteers and a dedicated staff of 15 full time employees, they distribute an average of 75,000 pounds of groceries every week, resulting in an annual distribution of more than 3.9 million pounds of food and grocery items reaching the needy in their community.

Community FoodBank of NJ, Southern Branch is a 501(c)(3) non-profit charitable organization that solicits, stores and distributes donations of food & grocery products on behalf of other charitable feeding programs serving those in need since 1987.

The Food Bank of South Jersey

The Food Bank of South Jersey operates on one simple premise: food should not be wasted when hungry people are in our midst. From this truth, it has built an effective food distribution program that annually links 4 million pounds of food with over 200 charitable food providers, such as, food pantries, soup kitchens and emergency shelters.

Food Bank of South Jersey is a 501(c)(3) nonprofit organization whose mission is to help eliminate hunger and malnutrition in four counties of southern New Jersey—Burlington, Camden, Gloucester and Salem. Their centralized food donation and distribution system is a vital community link ensuring that low-income and disadvantaged residents can access free groceries and wholesome meals from a charitable food provider in their neighborhood.
