THE CAUSE

Since its inception in 2006, the Atlantic City Electric Fall Charity Golf Classic has raised over a half million dollars for nonprofit organizations right here in South Jersey. The tournament is part of the PHI Community Foundation, which donates funds in the areas of health, youth development, educational support and low-income advocacy.

The Atlantic City Electric Fall Charity Golf Classic will continue its tradition of localized giving by selecting three agencies making a difference to our neighbors.

SPECIAL OLYMPICS NEW JERSEY

The Special Olympics provides year-round sports training and athletic competition in a variety of Olympic-type sports for children and adults with intellectual disabilities, giving the athletes continuing opportunities to develop physical fitness, demonstrate courage, experience joy and participate in a sharing of gifts, skills and friendship with their families, other Special Olympics athletes and the community.

THE ARC OF ATLANTIC COUNTY

The Arc of Atlantic County improves the lives of people with intellectual and developmental disabilities in our community. Through direct services, advocacy, education and prevention activities, the organization works in partnership with individuals and their families to make choices possible about how and where they live, learn, play and work.

GATEWAY COMMUNITY ACTION PARTNERSHIP

Gateway Community Action Partnership provides services that improve the quality of life and promote self-sufficiency to the residents of Cumberland, Gloucester and Salem counties.

THE COURSE

Always focused on providing a memorable experience for participants, this year's tournament will be held at the prestigious Galloway National Golf Club. A world-class, private, 18-hole championship golf course rated in the top 100 by Golf Digest, it is the ideal venue to make this event the best yet.

For more information on the golf course, visit gallowaynationalgolf.com. Enjoy a special day on an outstanding golf course for a great cause.
