ATTORNEYS AT LAW

The Cause

Since its inception in 2006, the Atlantic City Electric Golf Classic has raised nearly \$1.3 million for nonprofit organizations right here in South Jersey.

The tournament is part of the PHI Community Foundation, which donates funds in the areas of health, youth development, educational support and low income advocacy.

The PHI Community Foundation is pleased to welcome this year's beneficiaries Conserve Wildlife, Ranch Hope and the VAL Skinner Foundation. Your participation in the tournament will support their efforts in South Jersey.

Organizations

Conserve Wildlife Foundation

Conserve Wildlife Foundation works to protect rare and vulnerable wildlife in New Jersey and beyond. From bald eagles and ospreys to pollinators and tiger salamanders, we have helped many wildlife species recover, and others fight off extinction. Our talented biologists utilize field science, habitat restoration, surveys, telemetry tracking, volunteer management, and other innovative methods to stall species declines and start recoveries. And our devoted team of educators works to engage students, scouts, corporate groups, and civic associations all across the state on New Jersey's incredibly diverse wildlife and opportunities for volunteering.

Ranch Hope, Inc.

Ranch Hope, Inc. was founded in 1964 by Reverend and Mrs. David L. Bailey. Its mission is to be a leader in fostering environments that transform lives empowered through Christ-centered love and compassion. Ranch Hope serves at-risk youth and their families from New Jersey and the Delaware Valley through residential behavioral healthcare, education, shelter, independent living and adventure-based services.

Val Skinner Foundation – LIFE LPGA Pros in the Fight

The mission of LIFE is to help eliminate breast cancer as a life-threatening disease, while focusing on reaching a younger generation of women with information about the importance of early detection and healthy breast care practices. The Val Skinner Foundation, led by LPGA veteran and founder, Val Skinner, co-conceptualized the young women's initiative with Susan G. Komen for the Cure and the Cancer Institute of New Jersey. This year LPGA Pros in the Fight are raising funds centered around the launch of phase II of their national campaign "The Young Women's Initiative." This initiative involves a multifaceted approach to educating young women and other audiences regarding awareness, breast cancer risks and early detection.

The Course

Always focused on providing a memorable experience for participants, this year's tournament will be held again at the prestigious Galloway National Golf Club. Golf Digest recently named Galloway one of America's best private golf clubs. It is the ideal venue to make this event the best yet. For more information on the golf course, visit gallowaynationalgolf.com. Enjoy a special day on an outstanding golf course for a great cause.

Make a Difference

To sign up and become a part of this exciting tournament, visit atlanticcityelectric.com.

Entry forms and additional information are available under the "About Us" section. Look for the "In the Community" tab and click Golf Classic.
