

A NEW, SIMPLE WAY TO SAVE ON ENERGY COSTS

A woman with long dark hair, wearing blue-rimmed glasses and a light blue denim shirt, is smiling and looking at her smartphone. She is in a kitchen setting, with a sink and faucet visible in the background. On the counter in front of her is a white mug and a glass bowl filled with oranges.

Get Expert Help for Your Home

Here's How It Works

Schedule a **free Virtual Home Energy Check-up** to speak with an Energy Analyst over a phone call or video chat. During your appointment, you'll:

- **Answer questions about your home** and describe any comfort issues you have, like rooms that are too hot
- **Look at specific items that use energy**, like appliances, lighting, and more
- **Identify small changes** you can make in your home to be more energy efficient

Savings Delivered to Your Door

After your appointment, you can get a **free kit** with energy-saving products—such as ENERGY STAR® certified LED bulbs and more—mailed to you so you can start saving without having to leave home.

Learn more at atlanticcityelectric.com/QuickHome or call **1-855-861-0151**.

Limit one virtual or in-person check-up per Atlantic City Electric account number.
Offer valid for Atlantic City Electric residential customers only.
