In the Matter of the Petition of Atlantic City Electric Company Establishing a Cost Recovery Mechanism Through the Regional Greenhouse Gas Initiative Recovery Charge (“Rider RGGI”) for the Community Solar Energy Pilot (“CSEP”) Program and Other Associated Tariff Revisions

BPU Docket No. ER21060871

PLEASE TAKE NOTICE that, on June 1, 2021, Atlantic City Electric Company (“ACE” or “Company”) filed a petition with the New Jersey Board of Public Utilities (“Board” or “BPU”) to establish a cost recovery mechanism for the Community Solar Pilot (“CSEP”) Program (“CSEP Program”) through the Company’s Regional Greenhouse Gas Initiative Recovery Charge (“Rider RGGI”) (“Petition”). The CSEP Program is a program established by the Board to allow customers of an electric public utility to participate in a solar energy project that is located remotely from their properties, and to receive credits on their electric bills based on their participation in the solar project.

As requested in the Petition, ACE proposes to recover costs related to the CSEP Program through a surcharge designed on a dollar per kilowatt-hour (“kWh”) basis, applicable equally to all rate schedules. The amount of the surcharge would be reset annually based upon actual expenditures through annual filings to the BPU by the Company, subject to Board approval. The revenue requirement would be designed to recover annual amortization of capital, plus carrying costs, and annual Operations and Maintenance (“O&M”) expenses and a true-up for any prior period over/under recovery. For the initial two-year period, the surcharge will recover costs from the previous year. ACE proposes that future filings include forecasted expenditures after the initial two-year period.

The Company proposes that the surcharge be set to \$0.000000 for the initial rate period as no costs have been incurred for the CSEP Program to date.

The Petition was filed with the Board and copies were also served upon the New Jersey Division of Rate Counsel (“Rate Counsel”) and the Office of the Attorney General, Department of Law and Public Safety, Division of Law. Copies of the Petition are also posted on ACE’s website at <https://www.atlanticcityelectric.com/Pages/PublicPostings.aspx>.
