

A young girl with dark hair is looking through a hole in a white wall. She is holding a flashlight that is turned on, illuminating the scene. The background behind her is a bright, out-of-focus area. The overall image has a warm, soft lighting.

FIND EVERYDAY SAVINGS WITH A QUICK HOME ENERGY CHECK-UP

An Exelon Company

Get a Quick Home Energy Check-up

While you are at home, you may be thinking more about your energy costs. Our **no-cost Quick Home Energy Check-up Program** can teach you specific ways to save.

Here Is How It Works

During your appointment, you will speak with an Energy Analyst who will:

- **Evaluate the efficiency** of your heating and cooling systems, windows, doors, and more
- **Provide you with a report** listing energy efficiency recommendations
- **Install energy-saving products at no cost**, like ENERGY STAR® certified LED bulbs and more

Virtual appointments are also available, so you can choose what feels right for you.

Learn more at atlanticcityelectric.com/QuickHome or call **1-855-861-0151**.

Limit one virtual or in-person check-up per Atlantic City Electric account number.
