

A photograph of two women, one Black and one Asian, smiling and looking at a laptop screen. The Black woman is leaning over the Asian woman's shoulder, with her arms around her. They are in a home office setting with a desk, a blue binder, and a red pen visible. The background shows a blurred home interior with shelves and a chair.

SEE IF YOU QUALIFY FOR A NO-COST ENERGY EFFICIENCY ASSESSMENT

An Exelon Company

Our Experts Can Show You How To Save Energy and Money

Based on your household income level,* you may be eligible for a **no-cost energy efficiency inspection and upgrades** through Atlantic City Electric. If you qualify, you could receive:

- **An in-person walk-through** by a certified energy efficiency professional
- **Energy efficiency recommendations** and home improvements that can save you money
- **Energy-saving products**, including LED bulbs, efficient-flow showerheads, energy-smart thermostats, and power strips

Depending on your home's needs, you may also qualify for additional energy efficiency, health, and safety improvements, **valued at up to \$7,500.**

Visit atlanticcityelectric.com/HomeWeatherization or call **1-866-353-0007** to confirm your eligibility and schedule an appointment.

*See income eligibility chart at atlanticcityelectric.com/HomeWeatherization.
