An Exelon Company

Schedule a Home Energy Assessment and achieve household harmony.

The **Home Performance with ENERGY STAR® program** takes a whole-house approach to keeping your home at a comfortable temperature year-round while helping you save on energy costs.

Meet Zoe—
your Good Energy Guide.

- Schedule your Home Energy Assessment with a Participating Contractor and **receive rebates up to \$5,000*** on energy-saving upgrades.
- A Participating Contractor will come to your home and perform diagnostic tests to **assess your home's energy efficiency**.
- You **will get a detailed report** on how to improve your insulation, ventilation, heating and cooling systems, and more.
- Qualifying New Jersey homeowners can apply for **0% interest loans** on recommended energy-efficient home upgrades and get up to \$5,000 in rebates.

Visit atlanticcityelectric.com/Performance or call **866-353-0007** to get started.

* Rebate amount is based on energy savings achieved at completion of the home upgrades. Offer valid for Atlantic City Electric residential customers in New Jersey only.
